Mr. B. J. Oliver,  
10 Simpson Street,  
Hartford, Conn.

Dear Sir:

In answer to your inquiry of recent date concerning the town of Tolne, I regret to say that we have no information about this particular town. This territory has not been covered by our personnel. We have reached, for a very short time, Kiev, but we do not know exactly what surrounding town was covered by our Committee there.

Very truly yours,
