Resolved:

I. Plan proposed by representative of the Agro-Industrial Corporation "ICOR" - B.I. Brown re organization of industrialized poultry farms among Jewish settlers in the Crimea, & minutes of conference held at the COMZET in connection with this plan.

I.a) To greet ardently the American Agro-Industrial Corporation "ICOR" which is aiming to help industrializing Jewish farming, and the initiative of this Corporation to undertake a program of organizing poultry farms on the basis of industrializing production in the districts of Jewish land settlement;

b) to take notice of the plan re organization of such farms presented by B.I. Brown, as well as of the minutes of conference held by the COMZET on this subject;

to forward this plan to the Agro-Planning and Financial Committee of the OZET for consultation in detail with due consideration of its necessity to be adaptable for the organization of poultry farms on the basis of cooperation in one or in other form among the settlers;

c) to express full consent to cooperate with the Agro-Industrial "ICOR" in accomplishing this plan after it is completely worked out and the necessary financial basis is established.
